

Geneva Finance Limited Lists with USX

We're excited to welcome Geneva Finance Limited (GFL) as a new issuer to the USX in July. Quotation of its shares commenced on 17 July.

Geneva Finance is a New Zealand owned finance company that provides consumer credit and financial services to the New Zealand market.

Established in 2002, Geneva Finance specialises in personal and vehicle finance. The company prides itself on competitive rates and quick approvals.

Geneva Finance has two principal business activities which are automobile lending and insurance. Automobile lending activities encompass the provision of finance to individuals, to assist them with the purchase of motor vehicles. Geneva's finance products include hire purchase finance, and personal loans.

Geneva Finance originates loans through three main distribution channels: direct, broker and dealer.
